

# Expand your brand

The Original Floating Action Pens & Key Tags, a great opportunity to brand your company.

## The concept of the Conceal & Reveal design

With the Conceal & Reveal effect you are able to show your product in action. The glider will reveal the effect when it reaches the unmasked area.

Low minimums • Short delivery time • High product quality  
Made in Denmark • Customized virtual samples in just 3 days

## Design your own product at [www.eskesen.com](http://www.eskesen.com)
