Technical specifications

- For artwork made up in Illustrator or other vectorized programmes, it is essential to **outline** the font required.
- For artwork made up in Photoshop or other pixel-based programmes, the image resolution must be **300 dpi minimum**.
- If document/file includes imported image files, then these need to be sent separately in either **eps** or **tiff** format.
- To achieve optimum print quality, the logos and texts are to be submitted in **vectorized format**.
- When a special **pantone colour** is required, the pantone reference number needs to be mentioned in the artwork. Artwork must be submitted with correct pantone colour.
- Please stuff artwork files in **zip-it** or **stuff-it**.
- Artwork must be submitted **digitally** in the following sizes:
