

Original Floating Action by Eskesen ... the world's best souvenir!

DISPLAY BOX

We are proud to present our Souvenir Display Box.

- Small square box, which can be stacked on the shelf for optimized storage and space management
- Visually appealing high quality graphics
- The box contains 48 pens packed in upright position with floating scene visible
- Easy to open and prepare for on-counter display
- Increases sales by up to 30% compared with bulk display in e.g. neutral acrylic pen holders
